

4. You Can Fly

By John Jacobson and John Higgins

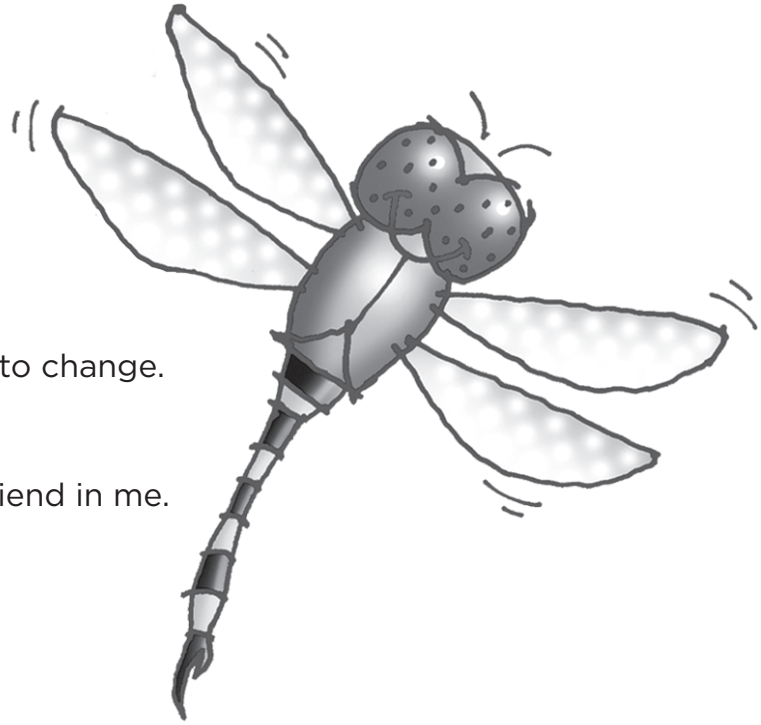

You can fly! You can fly!
You can spread your wings and soar.
If you try, you'll fly high.
You'll find so much more to explore.

Everyone gets frightened when you start to change.
"New" can be scary and strange.
Growing up gets easier and I guarantee:
You'll never fly alone, 'cause you have a friend in me.

You can fly! You can fly!
You can spread your wings and soar.
If you try, you'll fly high.
You'll find so much more to explore.

There's no need to worry. On the wind, we go.
Everyone needs help to grow.
Open up your heart and you'll find that if you try,
You'll do most anything by and by. You'll even fly!

You can fly! You can fly!
You can spread your wings and soar.
If you try, you'll fly high.
You'll find so much more.
Open up that door,
And with one more try, you can fly!
